WORK

Dan Gaze support Service Ltd are a small agency that supplies high quality and passionate staff to provide bespoke and organic support and mentoring to challenging and vulnerable young people and their families

The service is completely Child Focused with the purpose of providing 1-2-1 support for YP with the needs of the young person always coming first, this includes SEMH children..

My career took me from teaching assistant to Deputy Head in SEN schools.

The service adds a listening ear, build relationships supporting young people on their journey, enabling independence& build resilience, giving young people an incentive and motivation to turn their lives around.

- Child focused
- True believer behaviour is a form of communication
- Building resilience & self Esteem in young People

Providing 1-2-1 support for young person
Inclusive of all young people

Mentoring in schools, community, and through sport.

- DGSS Ltd is a completely Child Focused with the needs of the young person always coming first.
- A report is sent to professionals after each session with the young person reflecting on progress which has been made since the previous session Recording the session activities.
- Highlighting any positive outcomes or steps taken by the mentee since the last session.
- DGSS Ltd can offer bespoke packages for all young people.

• INCLUSION FOR ALL YOUNG PEOPLE.

1:1 MENTORING / SUPPORT/ EDUCATION

- 1-1 support based at our provision in Flitwick, providing level 1 & 2 Functional skills

INTERVENTION MENTORING

Setting targets, provide strategies that the school community can use to help better support their young people, a listening ear to build relationships with young person to support them on their journey. to turn their lives around before it becomes too late. Reports are provided after each session to professionals

TARGET MENTORING

Provided in mainstream schools in the Bedfordshire area, short sharp sessions with the young people in schools to help with wellbeing, building a relationship and supporting the young person on they life journey

MENTORING

Support from the Mentor, enabling independence, guided support small steps are taken to build a relationship based on respect & trust. the service offers calming support with a firm & fair approach, the skills to de-escalate the young person going into crisis and manage self-regulation.

.The service provides support for young people in the SEMH/SEN environment, mentoring in the community to support with social skills, awareness resilience & education

AWARDS AND RECOGNITION

PRIDE OF STEVENAGE AWARD is an annual event celebrating our local heroes and the great things they do for Stevenage and its residents. This October, the Pride of Stevenage Awards will honour people and organisations who give their time, energy and expertise to help make life nicer for those around them.

Over the years I have many accolades:

I was part of a project for Hertsmere Borough Council, supporting Arsenal Gap year programme in our school to help train their staff from 2007 – 2019, I also piloted their double club programme

- Creating a charity football team encouraging the community to raise money
 - organising fundraisers for a variety of charities such as:
 - Amy Winehouse Foundation, raising over £8000,
- Josh Hanson Trust which promotes anti knife crime in young people, raising £300,
 - I attended an assembly on this to help raise awareness.
- Charity boxing match for Cancer Research UK, raising £2000.
- second place for dedicated work teaching football to pupils with special needs in the Paul Pearce Award for the Contribution to Disability Sports in 2013.
- Shefford Green's under 8s football team didn't have enough football coaches to keep the team going so took it on and volunteered to coach so that the team wouldn't miss out.
 - I did this for a year and still help out now when needed.
