5401 REPORTS FROM WARD MEMBERS

As the three Ward Members were newly elected, there would be no report for the meeting, but the Chairman said it was a good opportunity for the three Members to introduce themselves and explain their priorities and what they would be working on.

Cllr Townsend explained she had lived in Flitwick for over 20 years and was a business owner. She would be working closely with the other two Ward Members and was keen to be more united and work well with FTC. Cllr Townsend was interested in planning development and green spaces.

Cllr Adams had lived in Flitwick since 1966 and had many other roles within the community, such as being Trustee for the Need Project and King's Church. He had previously been employed as the Financial Director for the London Borough of Islington and commented on switching role from Council Officer to Councillor. Cllr Adams shared the commitment to work together with the other Ward Members for the good of Flitwick. He mentioned that development was a big issue, particularly the proposals for Steppingley Road field and commented that he would like that to be stopped if possible. He had an interest in social care and dealing with the vulnerable people in society.

Cllr Mackey echoed the views of working together. He mentioned the Central Bedfordshire Council (CBC) Annual General Meeting was due to be held on 25th May, where roles would be assigned. Ward Members would brief FTC on this after the meeting. Cllr Mackey was happy to work on anything FTC needed.

Cllr Townsend stated that the new set-up would be more resident-focused, and there would be more consensus. She added that people were looking forward to change.

Cllr Adams, Cllr Mackey and Cllr Townsend left the meeting.

5402 <u>MEMBERSHIP OF STANDING COMMITTEES</u>

Information setting out the Committees of the Council and preferences had been circulated.

a. For Members to determine membership of the Town Council's Standing Committees, Boards and Working Groups that report to Council

<u>Corporate Services Committee</u> - the Chairman sought the opinion of the Council on the Corporate Services Committee as there seemed to be limited interest on the nomination forms, with only 4 Members indicating a second or third preference to stand for it. He proposed not to appoint to the Committee that evening and for Officers to bring back a report next month detailing where the priorities from the Committee could be alternatively reported.

Action: Deputy Town Clerk

The Chairman had met with the previous Corporate Services Chairman, Cllr Blazeby, and Officers to discuss this before the meeting, and commented that in the past, the Council's finances had been dealt with via a Panel of three Members that reported to Council.

After a brief discussion, Members agreed that the responsibilities of Corporate Services could be dealt with in an alternative way and for the finance reports to be circulated as part of the Council papers in the short term. Cllr Meredith-Shaw commented that it would be beneficial to those not previously involved in the finances or other Corporate Services' responsibilities to see these matters discussed at Council so that more understanding was gained.

It was **resolved** that Members of the Standing Committees were as follows:

Community Services:

Councillors Meredith Shaw, Platt, Badham, Thompson, Wilsmore, Connell, Toinko and Gleave.

Internal Audit Report 2022-23: Final

Sally King

For and on behalf of Auditing Solutions Ltd

Background

All town and parish councils are required by statute to make arrangements for an independent internal audit examination of their accounting records and system of internal control and for the conclusions to be reported each year in the Annual Return. Auditing Solutions Ltd provides this service to Flitwick Town Council.

This report sets out all the work undertaken in relation to the 2022-23 financial year to date, during our visits on 22nd September 2022, 19th January 2023, and 16th May 2023.

Internal Audit Approach

In undertaking our review for the year, we have had regard to the materiality of transactions and their susceptibility to potential mis-recording or misrepresentation in the year-end Annual Governance and Accountability Return. We have employed a combination of selective sampling techniques (where appropriate) and 100% detailed checks in several key areas to gain sufficient assurance that the Council's financial and regulatory systems and controls are appropriate and fit for the purposes intended.

Our programme of cover has been designed to afford appropriate assurance that the Council's financial systems are robust and operate in a manner to ensure effective probity of transactions and to afford a reasonable probability of identifying any material errors or possible abuse of the Council's own and the national statutory regulatory framework. The programme is also designed to facilitate our completion of the 'Annual Internal Audit Report' in the Council's Annual Return, which requires independent assurance over several internal control objectives.

Overall Conclusion

We have therefore concluded that, based on the programme of work undertaken this year to date the Council has again maintained a sound, pro-active approach to risk management and corporate governance issues, together with the development and management of effective internal controls and procedural documentation. Once again pleased to acknowledge the quality of records maintained by the Clerk and the Finance Officers and thank them for their assistance, which has ensured the smooth progress of our review process.

Consequently, we have completed and signed the 'Internal Audit Report' as part of the year's AGAR process having concluded that, in all significant respects, the internal control objectives set out in that report were achieved throughout the financial year to a standard adequate to meet the needs of the Council.

Detailed Report

Review of Accounting Arrangements & Bank Reconciliations

The Council's accounts are maintained the Rialtas accounting; DCK Accounting provide support with the year-end close-down and accounts. Our objective here is to ensure that the accounting records are being maintained accurately and currently and that no anomalous entries appear in cashbooks or financial ledgers. To that end, we have:

- ➤ Confirmed closing balances from 2021-22 have been correctly brought forward to the current year.
- ➤ Checked to ensure that a comprehensive, meaningful, and appropriate nominal coding schedule together with cost centres remains in place.
- ➤ Checked and agreed transactions (both receipts and payments) in the Council's main Current and Business Saver account cashbooks to the relevant Barclays Bank statements for April 202, August 2022, and March 2023, including the daily "sweep" transfers to retain a level of £5,000 in the current account.
- ➤ Checked and agreed the relevant bank account reconciliations for each account as of 31st March 2023 to ensure that no long-standing, uncleared cheques, or other anomalous entries exist.
- > Confirmed with officers the arrangements for backing up the computer system.
- ➤ There is a satisfactory process for the approval of grants and donations (where no invoice is appropriate) and that they have been approved for payment by members under the correct expenditure code.

Conclusion

We are pleased to report that no matters have arisen in this area of our review process warranting formal comment or recommendation; we have ensured the accuracy of the year-end balances reported in the detailed Statement of Accounts and AGAR.

Review of Corporate Governance

Our objective here is to ensure that the Council has a robust regulatory framework in place; that Council and Committee meetings are conducted in accordance with the adopted Standing Orders; those financial transactions are made in accordance with the extant Financial Regulations and that we have a reasonable chance of identifying any actions of a potentially unlawful nature that have been or may be considered for implementation. Consequently: -

➤ Concluded examination of the minutes of the Full Council and its various Standing Committees for the year to March 2023 to ensure that no issues affecting the Council's financial stability exist in the short, medium, or long-term, also that no legal issues

Flitwick Town Council: 2022-23 16/05/2023 Auditing Solutions Ltd (Final)

appear to be in existence whereby the Council may either be considering or have taken decisions that might result in ultra vires expenditure being incurred.

- ➤ We note that the Council have reviewed and readopted Standing Orders at its meeting held on 17th January 2023 (minute ref 5344 g.).
- Financial Regulations were reviewed at the meeting held on 21st February 2023 (minute ref. 5362 e.).
- ➤ Noted the comments made in the external auditor's report, issued since our last visit regarding the Council's accounts.

Conclusions

We are pleased to report that no issues have been identified in this area, warranting further comment.

Review of Expenditure

Our aim here is to ensure that, in addition to confirming that sound financial control procedures are in place: -

- > Council resources are released in accordance with the Council's approved procedures and budgets.
- ➤ Payments are supported by appropriate documentation, either in the form of an original trade invoice or other appropriate form of document confirming the payment as due and / or an acknowledgement of receipt, where no other form of invoice is available.
- ➤ An official order has been raised for all purchases and service delivery where one would be expected.
- ➤ All discounts due on goods and services supplied are identified and appropriate action taken to secure the discount.
- The correct expense codes have been applied to invoices when processed.
- There is a satisfactory process for the approval of grants and donations (where no invoice is appropriate) and that they have been approved for payment by members under the correct expenditure code; and
- ➤ VAT has been appropriately identified and coded to the control account for periodic recovery.

We have reviewed this area selecting a test sample for compliance with the above criteria comprising all payments individually more than £5,000 plus every 50th cashbook transaction, irrespective of value for the financial year. Our test sample comprised of 106 payments, totalling £275,600 with all the above criteria met.

Conclusion

We are pleased to report that no issues have been identified in this area warranting formal comment.

Flitwick Town Council: 2022-23 (Final)

Assessment and Management of Risk

Our aim here is to ensure that the Council has put in place appropriate arrangements to identify all potential areas of risk of both a financial and health and safety nature, whilst also ensuring that appropriate arrangements exist to monitor and manage those risks to minimise the opportunity for their coming to fruition.

- Noted that the Corporate Risk Register has been reviewed and readopted at the Town Council meeting held on 19th April 2022 (minute ref 5238 (iii) c).
- Reviewed the Council's insurance policy with Aviva which commenced in September 2022 noting that it includes public liability cover of £10 million and employers' liability cover of £10m.

Conclusions

We are pleased to report that no issues have been identified in this area warranting further comment.

Review of Income

In considering the Council's income streams, we aim to ensure that robust systems are in place to ensure the identification of all income due to the Council from its various sources; to ensure that the income is invoiced in a timely manner and that effective procedures are in place to pursue recovery of any outstanding monies due to the Council.

In addition to the annual precept the Council has a variety of income sources arising mainly from the Rufus Centre lettings and rentals, allotment income, café, cemetery fees, also the letting of sports pitches, miscellaneous grants, and interest.

The Allotments are managed using Rialtas software. There are 2 sites containing 58 plots. New tenancy agreements are issued each year along with the invoices and chased if not returned with payment. We are pleased to note that the Council reviews allotment fees on an annual basis.

On our second interim visit we examined the Cemetery income procedures. This included the Burials Register and Exclusive Rights of Burial records, examining a sample of entries relating to each area for the April to November 2022 to ensure that each is supported by all relevant and legally required documentation and that the appropriate fees have been levied in accord with the published scales and recovered within a reasonable period. We note that the Council now manages the Cemetery income with the Rialtas software module.

Also, on our previous visits we have examined the cash handling procedures and stock management at the onsite café.

Conclusions

We are pleased to report that no issues have been identified in the areas examined warranting further comment.

Petty Cash Account & Credit Cards

We are required, as part of the annual Internal Audit Certification process in the Annual Return, to indicate the soundness of controls in this area of the Council's financial activities. We confirmed this was within the limits set in Financial Regulations and confirmed controls over access to the safe where the money was kept.

The Council now uses Barclaycard, and we are pleased to note that robust procedures are in place including provision of receipts and reconciliation of the statements. As part of our payment review, we examined the April 2022 Barclaycard reconciliation, with no issues arising.

We are pleased to note that receipts are now attached to the invoices received from the fuel card supplier.

Conclusion

We are pleased to report that no issues have been identified in the areas examined warranting further comment.

To meet this objective, we have: -

Conclusions

We are pleased to record that no issues have been identified in this area.

Investments and Loans

Our objectives here are to ensure that the Council is investing "surplus funds", be they held temporarily or on a longer term basis, in appropriate banking and investment institutions and that the Council is obtaining the best rate of return on the funds held, with any interest earned brought to account correctly and appropriately in the accounting records, also that any loan repayments due to or payable by the Council are transacted in accordance with the relevant loan agreements.

We are pleased to note the Council has a Treasury Management policy in situ.

During our visits we test repayments of PWLB loans as recorded in the Council's accounts to independent PWLB statements. We have agreed the repayments to the bank statements as in relation to our work on accounting and bank reconciliation.

Conclusions

We are pleased to record that no issues have currently been identified in this area and have verified the accurate disclosure of the residual year end loan liability in the AGAR from the accounts provided by DCK Accounting Services Ltd and PWLB statements.

Asset Register

The Governance and Accountability Manual requires all councils to develop and maintain a register of assets identifying detail of all land, buildings, vehicles, furniture, and equipment owned by the Council.

We are pleased to note that the Council holds a detailed asset register updated by DCK to include additions and disposals for 2022-23.

Conclusion

We are pleased to report that no matters have arisen in this area of our review process warranting formal comment or recommendation; we have ensured the accuracy of the year-end balances reported in the detailed Statement of Accounts and AGAR.

Precept Determination and Budgetary Control

We aim in this area of our work to ensure that the Council has appropriate procedures in place to determine its future financial requirements leading to the adoption of an approved budget and formal determination of the amount of the precept placed on the Unitary Authority, that effective arrangements are in place to monitor budgetary performance throughout the financial year and that the Council has identified and retains appropriate reserve funds to meet future spending plans.

We also reviewed the level of retained funds at the year-end, assessing their adequacy to meet the Council's ongoing revenue spending requirements and future development aspirations. On 31st March 2023 the General Reserve balance stood at £719,489. Additionally, the Council holds earmarked reserves of £284,015.

Flitwick Town Council: 2022-23 16/05/2023 Auditing Solutions Ltd

(Final)

We are pleased to note that, at the meeting of the Town Council held on 17th January 2023 the Council agreed that the precept for 2023-24 be set at £1,001,205 (minute ref. 5344). This represents a 11.8 % increase from 2022-23 for a Band D household.

Conclusion

No issues have arisen in this area. The Council has satisfactory arrangements for managing its finances.

Statement of Accounts and Annual Return

The Accounts and Audit Regulations require all Councils to prepare annually a Statement of Accounts in the AGAR, which now forms the statutory Accounts subject to external audit scrutiny and certification.

We have checked and agreed entries in the Statement of Accounts generated by the accounting software to the underlying Trial Balance and other documentation provided by DCK. Similarly, we have checked and agreed the financial data reported to the AGAR.

Conclusions

No issues have been identified in relation to the verification of detail in the Statement of Accounts and AGAR this year.

Based on our detailed work during the year on the Council's systems of financial control and content of the detailed Statement of Accounts and that summarised detail set out in the AGAR, we have signed off the Internal Audit Report of the AGAR assigning positive assurances, in each relevant area.
