17 RISK MANAGEMENT

- 17.1 The Council is responsible for putting in place arrangements for the management of risk. The Clerk, with the RFO, shall prepare, for approval by the Council, risk management policy statements in respect of all activities of the Council. Risk policy statements and consequential risk management arrangements shall be reviewed by the Council at least annually.
- 17.2 When considering any new activity, the Clerk with the RFO shall prepare a draft risk assessment including risk management proposals for consideration and adoption by the Council.

18 SUSPENSION & REVISION OF FINANCIAL REGULATIONS

- 18.1 It shall be the duty of the Council at least once in each Council term to review the Financial Regulations of the Council. The Clerk shall make arrangements to monitor changes in legislation or proper practices and shall advise the Council of any requirement for a consequential amendment to these financial regulations.

18.2 The Council may, by resolution of the Council duly notified prior to the relevant meeting of the Council, suspend any part of these Financial Regulations provided that reasons for the suspension are recorded and that an assessment of the risks arising has been drawn up and presented in advance to all members of the Council.

19 CCLA DEPOSIT FUND

19.1 The Investment Strategy is to be reviewed annually by the F&GP Committee. Once approved no further authorisation of transactions related to CCLA should be required. The transactions do not represent expenditure/payment by the Council and thus are not required to comply with (the now defunct) LGA 1972 s150(5) – nor with any other specific provisions in the council's Financial Regulations. It is suggested that the Clerk or RFO is authorised under the council's existing bank mandate to make such investments and withdrawals as required in terms of the Strategy.
