

FLITWICK TOWN COUNCIL DRAFT Minutes of the Finance & General Purposes meeting held on Tuesday 14th January 2025 at the Rufus Centre at 7:45pm

Present: Cllr T Parsons (Chairman) Cllr A Snape Cllr I Blazeby Cllr T Harald Cllr J Roberts

Also present: Stacie Lockey – Town Clerk & Chief Executive (TC) Stephanie Stanley – Deputy Town Clerk & RFO (DTC) Helen Glover – Senior Finance Officer (SFO) 0 Members of the public

19. <u>Apologies for Absence</u>

There were no apologies for absence.

20. <u>Declarations of Interest</u>

To receive Statutory Declarations of Interests from Members in relation to:

- (a) Disclosable Pecuniary interests in any agenda item no items.
- (b) Non-Pecuniary interests in any agenda item no items.

21. Public Open Session

No items.

22. <u>Members Questions</u>

No items.

23. <u>Minutes</u>

a. For Members to approve the minutes of the Finance & GP Meeting held on **Monday 18**th **November 2024**, this meeting was held at the Rufus Centre.

It was **resolved** to approve the minutes of the Finance & GP Meeting held on Monday 18th November 2024 at the Rufus Centre as a true record.

24. <u>Matters Arising</u>

a. Minutes of the Finance & GP Meeting held on **Monday 18th November 2024**.

Cllr Snape asked for an update on the business rates discussions. The DTC explained that the advisor had visited the Rufus Centre and 3 Station Road. A report was being prepared regarding the Rufus Centre rates and whether or not to apply to the Valuation Office about a revaluation considering potential hospitality relief.

The process had begun to seek exemption from paying rates for 3 Station Road due to the building refurbishment works. It was hoped that this could be dated from 23rd September, when the roof works began, but it might be that the exemption could only begin from the main build start date.

Members were informed that the revaluation response could take 3-6 months. The Rufus Centre report would be received sooner, and Officers would chase this with the advisor.

Action: DTC

b. Members to receive any updates from Officers.

No items.

25. <u>Items for Consideration</u>

a. <u>General Reserves Policy</u>

It was **resolved** to adopt the updated General Reserves policy circulated.

b. Draft Budget 2025-26

Cllr Blazeby asked about any increases for allotments and the hiring of Millennium Park income budgets. The TC explained that both matters had been discussed at the Community Services Committee, and it was agreed that prices should be kept the same.

Cllr Blazeby asked for information about the difference in the electricity budget from 2024-25 to 2025-26 at the Youth Hub. The SFO explained that this figure was based on the schedule received from the utilities broker.

Cllr Snape referred to Ticketsolve costs and believed the fixed fee was £3k per year. The DTC advised that the annual cost was £5k.

The Chairman wanted to clarify a few points with the budget about 3 Station Road:

- The Council was not assuming rent from tenants of 3 Station Road next year the DTC confirmed this was correct.
- He asked about marketing the site to prospective tenants the DTC explained that Officers were meeting the agent next week to start the process. Officers had wanted to start this process earlier, before the construction work. However, professionals had advised that this would have been too premature for prospective tenants.
- The CCLA interest received budget was set to 0—the DTC confirmed this was correct. The Chairman commented that funds could be available to assist with the 3 Station Road refurbishment project.

Cllr Snape believed that the budget set for Proud AF was incorrect. Officers agreed to amend this figure; however, later in the meeting, the SFO advised that the right budget had been set based on a resolution.

Cllr Roberts asked about the IT budget. The TC explained that she and Cllr Harald had renegotiated the contract,, and both were happy with the budget figures presented.

Members were informed that the IT contract was due to expire in May, so this needed to be considered soon.

Action: TC

Cllr Blazeby referred to the RFO's report circulated as part of the exempt paperwork and asked if it could be discussed in the public section of the meeting. The DTC had asked for this item to be in the exempt section due to being unsure how much detail should be in the public domain. The DTC had no concerns about discussing the report in the public section.

Revenue Budget Pressures – item 10c

Members noted the report circulated.

Cllr Blazeby asked about the increased insurance cost for next year. The DTC explained some of the increases related to the vacant unit at 3 Station Road, but these costs were counted as part of the project expenditure rather than impacting the Council's Precept. The insurance broker had provided increased estimates as part of the budgeting process. The Chairman commented that he expected insurance costs to rise.

Members were keen for any budget report published to explain that inflationary pressures had increased the precept, not the building work at 3 Station Road.

Members discussed the precept in general and agreed that residents would be receptive to a 2 or 3% rise. The TC commented that she had seen email exchanges showing comparisons of increases for other Town Councils that were much higher, e.g. Houghton Regis and Dunstable.

Cllr Blazeby suggested that the £89k increase in costs could be explained by unavoidable staff costs, maintenance, insurance, and business rates (excluding those for 3 Station Road). These were inflationary costs on key matters and meant the Council was not cutting services or staffing. He pointed out that the Council had made some cuts to the activities programme to keep costs reasonable.

Members discussed that the refurbishment at 3 Station Road was fully funded and did not impact the precept. The Council was confident about the upcoming capital receipt and agreed that the budget prepared was conservative. The TC advised that the solicitor would hold the 10% deposit payment on the Steppingley Road land sale.

Cllr Snape mentioned that the Community Services Team were doing more community work but fewer 'sessions' and advised that there had been a lot of grant funding success. Members noted that the Rufus Centre boilers would soon need to be replaced and that there were currently three office spaces vacant.

Members discussed the options of either a 2%, 3% or 4% rise in precept and agreed to pursue with a 3% increase following debate.

It was **recommended** that the Draft Budget 2025-26 be approved with a 3% rise in Precept.

26. <u>Items for Information</u>

i) Finance Reports (Part 1)

Cllr Blazeby asked about the year to date progressive surplus on the finance reports. The DTC explained that the formula had not been accurately input into the Excel document but confirmed that the progressive surplus up to 31st December was £77,551.

ii) <u>3 Station Road</u>

The DTC provided the following update:

- Marlow Builders were formally appointed following the decision at the December Council meeting. The standstill period then followed.
- The Chairman had reviewed the contractor's management accounts and confirmed that the financial risk had been reduced consequently.
- Works payments would be made monthly, and valuations/amounts, etc., for cash flow, were due to be discussed at the pre-start meeting the following day.
- Luton Borough Council's (LBC) Project Manager had confirmed that the Council could ask the contractor to provide monthly cash flow forecasts to understand the expected range of payments.
- The site set-up was due to start on 23rd January, the retail unit works were scheduled to begin on 20th February, and the restaurant unit work would commence on 27th March. If there were any amendments to these dates, they would be confirmed at the pre-start meeting.
- UKPN confirmed that legal consents were completed for the electricity cable works and that this job had been cleared for delivery. LBC was sending the technical information required to UKPN.
- Officers were due to meet the commercial marketing agents on-site the following week.
- Cash flow management was working fine, thanks to the swift reimbursement of the Community Ownership Fund grant for large payments to UKPN and the roofing contractor. The movement of funds to and from CCLA had been carried out with no issues.
- The finance schedule for the project included revenue costs not incorporated in the LBC budget for refurbishment (£16k), so the DTC explained that these costs would be separated in future reports.

The Chairman asked if the UKPN fee was included in the total project cost, as circulated in the reserves position document. The DTC confirmed that this was the case.

27. Public Open Session

No items.

28. Exempt Items

The following resolution will be **moved** that is advisable in the public interest that the public and press are excluded whilst the following exempt item issue is discussed.

- a. Confidential Report noted.
- b. Finance Reports Part 2 noted.
- c. Revenue Budget Pressures discussed in the public section of the meeting.
- d. Steppingley Road noted.

Pursuant to section 1(2) of the public bodies (Admission to Meetings) Act 1960 Council **resolve** to exclude the public and press by reason of the confidential nature of the business about to be transacted.

Signed (Chairman)

4 Finance/140125 DRAFT

Report to Finance & General Purposes Committee 19th May 2025: Year End Surplus 2024-25

Background

Historically, any surplus at the end of a financial year was automatically returned to the Council's General Reserves as part of the year-end process.

The Council adopted a General Reserves Policy in January 2025, which states that:

The Finance &GP Committee will make necessary resolutions at year-end relating to funds being moved to General Reserves, the Central Projects Fund or any other EMR. The RFO will prepare a report on this with officer recommendations for the F&GP Committee to consider in May.

Introduction

The year-end surplus for the financial year 2024-25 is £95,446.

This year, like last year, the Council finds itself in an unusual situation where it is funding a capital project at 3 Station Road costing over £1m. The expenditure for this project is split over two financial years as follows:

2024-25 **£537,361** 2025-26 **£613,239**

The remaining expenditure for 2025-26 will be done in May, June and July. There was minimal expenditure on the project in April.

With assistance from the Finance Committee Chairman, a Reserves Position document has been prepared, showing how the remainder of the project will be funded. Members will notice that £141,703 is expected to be allocated from the Central Projects Fund (CPF). Currently, the 2024-25 surplus is sitting in General Reserves.

Whilst Members should be cautious about other capital expenditure in the coming year, community and business capital improvements will require some funding during 2025-26. For example, the Council will need to make some capital upgrades to the Rufus Centre, and the Nature Park project should not be put on hold.

Typically, successful community capital project applications are funded by the CPF, and since last year, business capital projects have been financed through a Rufus Centre Projects Earmarked Reserve (EMR).

Capital Expenditure 2025-26

Due to the current financial position of the Council and the need to pay for the remaining elements of the refurbishment, it would be sensible to allocate most of the year-end surplus from 2024-25 to fund the 3 Station Road project.

Considering the CPF is likely to be used for 3 Station Road, for 2025-26 only, any other capital project applications could be financed via the Operational Reserves EMR on a case-by-case basis. Although this is not ideal or good practice, it is necessary to maintain the progress of other projects. This process would be a temporary measure, considering the anticipated monthly profit from the Rufus Centre and the upcoming capital receipt from the Steppingley Road land sale.

Additional Matters

There is £14,000 in EMR 314 from the Central Beds Council compensation payment, which will have remaining funds once the Rufus Centre field gates work has been completed.

Officers unfortunately forgot to create an EMR as part of the close-down process for the accounts (2024-25) to build funds for the fixed wire testing works, which are required every five years. For this reason, it would be sensible to earmark £850 from the surplus for this purpose.

Officer Recommendations

- 1. To transfer £850 from General Reserves (where the surplus for 2024-25 is currently sitting) to an EMR for future fixed wire testing works.
- To transfer £94,596 from General Reserves to the 3 Station Road Development EMR (332) to cover all future expenditure related to the project.
- 3. For the Council to consider community and business-focused project fund applications on a case-by-case basis to be financed from the FTC Operations Reserves EMR (319).

Stephanie Stanley Deputy Town Clerk & RFO

Report to Finance & General Purposes Committee 19th May 2025: Capital Plan

Background

Members have requested to see a list of capital projects that Officers would propose to be financed via the capital receipt due from the Steppingley Road land sale.

Introduction

The land at Steppingley Road has been valued at £1.675m before deductions and legal and professional fees associated with the project.

In this initial plan, Members can see which projects Officers would like to be funded by the capital receipt.

Suggested Capital Projects

It is advisable to replenish the Council's General Reserves to approximately £300,000 and ensure the Operational Reserves are restored to £500,000, as per the Council's Reserves Policy, at the earliest opportunity. This will allow the Council to reinstate its preferred financial position.

Below is a list of suggested projects that could be implemented to enhance Flitwick and the Rufus Centre:

Project Title	Council/Committee Application	Estimated Cost
Allotments Improvements	Community	TBC
Town Centre CCTV	Community	TBC
The Hub Refurbishment	Community	TBC
Manor Park Upgrades	Community	TBC
Play Area Upgrades	Community	£18,390
Nature Park Works – incl. car park,	Community	£122,510
interpretation boards, infrastructure etc.		
Rufus Centre Boilers	Business	Up to £120k
Stage 2 Second Storey guttering renewal	Business	£7,795
(above hard surfaces)		
Warrenfield Room converted to office	Business	TBC
space		
Additional Solar Panels at Rufus Centre	Business	TBC

Front Seating Area Landscaping	Business	£18,420
Rufus Centre Front Curtain Wall	Business	£36,980 (+ vinyl option £4,565)
Modernisation of Rendezvous Café and Upgrades to kitchen	Business	TBC
First Floor Common Areas – Rufus Centre	Business	£37,839
Stage 3 – All remaining second storey guttering renewal	Business	£8,155

Projects are listed in no particular order, and costs are based on current quotations.

Additional Matters

Further work will be undertaken to obtain accurate quotes and project costs in due course.

Officers will prioritise the order of these projects for a future meeting.

Should the Council be in the financial position to fund any of these capital projects in advance of the land sale receipt, Officers will apply to use the Operations Reserve (EMR 319) which will be considered on a case-by-case basis.

Stephanie Stanley Deputy Town Clerk & RFO

Report to Finance & General Purposes Committee 19th May 2025: RFO Report on Year End 2024-2025

Background

The close-down of Flitwick Town Council's (FTC) accounts for 2024-25 took place on 28th April. The process was straightforward and significantly shorter than previous years. This is mainly because Officers are more familiar with the accounts; they are not reliant on an external accountant to explain intricacies, and in-built systems within Rialtas are being used, allowing figures to feed through to the Annual Return. The process was transactional rather than focused on problem-solving, and it was helped that a mid-year health check was carried out after Quarter 3 to ensure the accounting was being done correctly across all cost centres.

The Year-End Internal Audit took place on May 13th, and no issues were identified. The Internal Auditor congratulated the team on providing the necessary information for a smooth audit and was particularly pleased to see that the Rialtas Asset Register software was being utilised. This Internal Audit Report will be presented to the Full Council Meeting in June, along with the complete set of Year End accounts.

Introduction

This year has been positive for the team, as confidence is building from month to month. The budget setting process has worked well, and the year-end position was known immediately after the close-down. This is a significant improvement on last year, when we were unable to establish the surplus achieved until over 4 weeks after closing the accounts. The projects are now managed through Earmarked Reserves instead of through the income and expenditure cost centres, which has helped us achieve this.

The implementation of a Standing Committee for finance has been beneficial, as all Members provide valuable feedback and input into the accounts, helping operations run smoothly and efficiently. It has made the decision-making process quicker and assisted Officers with the financial management of major projects.

Council Surplus

The Council surplus figure for 2024-25 is **£95,446**. This is just over £60,000 less than the previous year, but it is better than initially predicted following the Rendezvous Café's surprising financial position over the past 12 months.

It is fair to say that a Town Council achieving a surplus of £95,446 remains commendable, and the Finance & General Purposes (Finance & GP) Committee will decide where to allocate these funds at their meeting on 19th May.

Whilst the café has struggled to remain profitable consistently, the Business & Facilities Manager, in consultation with other members of the Senior Management Team, has developed a plan to address the financial situation. It is pleasing to see that some of the immediate actions have already had a positive impact in the first month of the next financial year. Members have given clear instructions that the café should at least break even as we advance.

Key Financial Decisions for 2024-25

With the refurbishment of 3 Station Road being prioritised for this financial year, the Council has remained cautious about other capital project expenditure. The accounts show significant variances for payments and receipts during the year, and much of this is due to the refurbishment project. We have received a substantial amount of grant funding, as well as the dilapidations settlement, among other sources, which has been reflected in the accounts. Additionally, we have incurred high financial outlays for professional fees and refurbishment costs alike. This has meant that close management of the Council's cash flow has been necessary, while maintaining day-to-day payments and accounting requirements.

Members requested mid-year revenue budget savings, and budget holders identified £52,400, which assisted with the finances for 3 Station Road.

The Council was committed to making affordable improvements to the Rufus Centre throughout the year via an earmarked fund of £40,000 for projects associated with the building, and plans are in place to build on this progress next year. There was also a conscious effort to seek additional grant funding for other community projects, and the Council has successfully enhanced other areas in the town via successful Section 106 funding applications. Business has not stopped in the other departments of Council service provision, and this can be demonstrated by the visible improvements made to Manor Park, play areas, and progress on the Nature Park project.

Year-End Accounts

All reports associated with year-end have been enclosed with this report, and Officers are happy to answer any questions at the Finance & GP meeting on 19th May.

To follow legislation, the Full Council is required to agree the set of accounts and the Annual Governance and Accountability Return (AGAR), which will take place on 17th June. Officers are preparing a Financial Statement, which will include supplementary information to explain the accounts. This statement will summarise key financial focuses for the year and include any notes relating to benefits in kind for local organisations, social value, projects completed, and other relevant details, all within the context of the accounts, to help inform residents of the Council's financial position.

Officers request that the Finance and GP Committee provide its recommendation(s) on the year-end accounts for consideration at the Full Council meeting in June. Following this decision, the accounts will be submitted to Mazars (external auditors), and the public rights consultation period will begin.

The VAT partial exemptions work for the year-end 2024-25 will be completed over the summer. The external auditors will likely contact the RFO with questions during August or early September, and following their sign-off, Members will again consider Mazars' response and adopt the audited accounts at the relevant Council meeting.

Additional Matters

Officers would like to thank the Members, in particular the Chairman, Cllr Parsons, for their support throughout the year. Having fewer but more focused finance meetings has made operations easier for the Officer team, and we are pleased to have sufficient time to complete each 'month end' before circulating the financial reports to Members.

Stephanie Stanley Deputy Town Clerk & RFO
